TO: The Honorable James R. Schlesinger  
The Secretary of Defense

SUBJECT: Draft Key Intelligence Questions for  
FY 1975

Attached is a working draft of proposed Key Intelligence Questions for FY 1975 prepared collegially by my colleagues. This draft is being circulated to the members of USIB for review and discussion. In due course -- doubtless with some revisions based on the responses of various members of the Intelligence Community -- these questions will be endorsed by USIB and forwarded by the DCI to the NSCIC.

You will become formally engaged in this process when the questions go to the NSCIC, of which you are a member. In an informal and private way I would like to discuss these questions with you at this stage. If they are done properly, the efforts of the Community over the next fiscal year will be efficiently focused on matters paramount to the national interest. This, naturally, is a goal we are most anxious to achieve.
